**Cylinder-bed sewing machine
for industry and handcraft**

MA 335

*Cylinder-bed sewing machine
for industry and handicraft*

*Quality and efficiency are the
hallmarks of this cylinder-bed
sewing machine.*

AREAS OF APPLICATION

This cylinder-bed sewing machine can be used for:

- Leather accessories
- Leather wear
- Upholstery
- Shoes

It is suitable for:

- Working on tubular or pre-attached articles
- Standard sewing work on leather ware, bags and leather craft articles
- Binding of shoes and leather ware with leather, imitation leather or textile tape
- Piping work on bags, suitcases and upholstery

SPECIAL FEATURES

- Excellent sewing quality with high performance and sewing reliability
- Precise and consistent stitch setting on all materials
- Very neat bindings, even inside and outside curves thanks to the moving binder tape is held close to the binding edge
- Fewer bobbin changes when using G-version (large hook)
- Equipped with finger-guard, belt-and take-up lever guards as standard
